MESSAGE OF THE CHAIRMAN

The path to greatness for any nation rests on the principles of merit, fairness and transparency.

My mission as Chairman is to ensure a fair, cheating-free examination system that values hard work and integrity. This vision extends to merit-based examination duties, transparent paper checking, and a commitment to upholding the true essence of education.

The HSSC (Annual-I) Examination-2025 results stand as a testament to these principles. This accomplishment reflects the commitment of our teaching staff, the dedication of board employees, and the unwavering support of the District Administration and the Provincial Government. It is through their collective efforts that the examinations were conducted in a smooth, transparent, and orderly manner.

The successful candidates have proven that excellence is achieved through dedication and genuine effort. To those who did not succeed, remember that failure is not the end but a lesson that fuels future success. Persevere with greater zeal and trust in your potential.

I extend my heartfelt congratulations to all successful candidates, their teachers, parents, and respective institutions. Your hard work and dedication have borne fruit, and I pray for your continued success, happiness, and prosperity.

Our mission is to honor talent with merit, fairness and transparency.

PROF. JEHAN ZEB
Chairman

Message of the Controller of Examinations

By the grace of Almighty ALLAH, we feel very much enthusiastic and excited at this historic moment that HSSC Annual-I Examination-2025 results have been compiled successfully with complete care devotion, and sencerity. The office of the controller and BISE staff worked like a well unified team with zeal and zest, commitment, dedication and achieved the goal which was not a plain sailing.

With the grace of ALLAH, almighty, kind patronage of Honorable Chairman, dedicated staff of HSSC Secrecy, in true sense visionary professional **Computer Programmer Malik Farman Ali Khan and Computer cell staff**, helped me in my struggle of observing fairness, impartiality and giving the due to the deserving.

We always follow and ensure the principles of justice, equality, accuracy, imartiality and transparency and try to utilize students, talents and capabilities by preparing question papers through a pool of qualified paper setters.

Being controller of the prestigious institution like BISE, Mardan, I vehemently and ecstatically announce the HSSC Annual-I Examination-2025 results.

I offer my real and natural congratulations to those who have been awarded and achieved the fruits of their hard work. I would like to encourage equally those who have not attained their targets and to say that the day is at hand when they would be awarded accordingly like the achievers if they work hard and determined.

Wish you all the bright future.
